## Dedicated to the architecture of Europe

"L'attimo di Cupido", Giovanni Smeraldi, Riviera Magica Pool

This is the ship for fitness and relaxation. Completely innovative, this floating resort becomes an additional destination on your cruise. What makes it so special? To start with there is a wellness area on two decks, covering a total of nearly 6.000 m<sup>2</sup>, with a swimming pool at its centre. The beautiful Samsara Suites have direct access to the Spa.

There are also 4 swimming pools, two with retractable glass roofs. Choose from 13 bars, including the Sport Bar.

Over 500 cabins have balconies. The decks are spacious and panoramic. Its name symbolises peace and harmony among different peoples and pays homage to Europe and some of its most important cities including Paris, Rome and London.

Costa Concordia and her sister ship Costa Serena, are the largest and longest ships in the fleet.
